THIS AGREEMENT made and entered for the term April 1, 2022 to March 31, 2025,

BETWEEN:

CAMOSUN COLLEGE

(hereinafter called the "Employer")

OF THE FIRST PART

AND THE

CAMOSUN COLLEGE FACULTY ASSOCIATION

(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the Board is an Employer within the meaning of the Labour Code of British Columbia Act;

AND WHEREAS the Camosun College Faculty Association is a certified bargaining agent for faculty under the Act;

AND WHEREAS the parties have carried on collective bargaining under the Act and have reached agreement as herein expressed;

NOW THIS AGREEMENT WITNESSETH THAT THE PARTIES HERETO AGREE EACH WITH THE OTHER AS FOLLOWS:

1. APPOINTMENTS TO FACULTY

1.01 INITIAL APPOINTMENTS

Initial appointments shall be either probationary for a two (2) year period or term as outlined in Clause 1.02.

Subsequent appointments shall be either probationary, continuing, or term as outlined below.

1.02 TERM APPOINTMENTS

- (a) A term appointment is one with a pre-established end date. Such positions shall not be less than fifty percent (50%) of full-time employment unless there is insufficient work available to create a position of fifty percent (50%) of full-time employment or higher.

No school or group of non-school based faculty may fill more than twenty percent (20%) of its full-time equivalent positions with term Employees, excluding those hired to replace those faculty on leave, secondment, performing professional, curriculum, or program development activities, or those assuming probationary assignments under 1.03 (c).

When a continuing position is vacated, it shall not be replaced by a term position unless emergencies or other unforeseen circumstances do not allow for normal selection procedures. In such instances, a continuing position shall be posted at the first opportunity.

- (b) When seniority is calculated, accumulated service on term appointments shall include earned vacation, whether taken as time off or as payment in lieu. In instances when vacation pay is received, not vacation time, the seniority earned shall be the same as if the Employee had been credited with vacation time. In other words, earned seniority shall, not be diminished as a result of a Faculty Member earning payment in lieu rather than vacation time. In these instances, seniority will be calculated by multiplying the employment period by 1.2.
- (c) Instructional term appointments will cover one (1) week of preparation time, the instruction period, and exam period or wrap-up period, to equate to sixteen (16) weeks for a standard full semester.

Appointments for periods other than a standard full semester shall reflect the actual instruction period together with one (1) week's preparation time and one (1) week for the exam period or wrap-up period.

Any individual whose percentage of full-time employment is consistently 50% or higher for two successive semesters shall have a single appointment which extends through both semesters. If an individual's percentage of fulltime employment at the beginning of the second semester differs from the percentage at the end of the first, the period between the semesters will be paid according to the percentage of employment in place at the beginning of the second semester. For the purpose of this clause, May-June and July-August shall each be considered semesters.

Payment for term appointments shall be calculated on a daily rate based on the individual Faculty Member's placement on the faculty salary scale.

- (d) Indefinite term appointments - to replace a continuing or probationary Faculty Member on disability leave, the Employer may offer an indefinite term appointment, giving the new Employee access to benefits and other provisions for probationary Employees providing there has been appropriate opportunity for recruitment and selection.

If the disabled faculty member is declared able and returns to work, the replacement appointee shall receive one (1) month's notice or payment in lieu of notice.

If the disabled Faculty Member is unable to return to work within the period of time allowed under clause 17.06(d) and (e), the indefinite term appointment will be converted to a regular probationary or continuing appointment.

- (e) Internships - The Employer may create a limited number of faculty internship positions, each of which requires the approval of the Union.

Each internship position shall be for a one (1) or a two (2) year period, with a workload from fifty percent (50%) to one hundred percent (100%). The Employee hired for each position will have no more than one (1) year of college-related experience in the Employee's field of expertise. The approved staffing profile will not be increased by the addition of interns.

An Employer/Employee relations committee shall recommend guidelines for the application of this clause. The recommendations shall be forwarded to the President of the College and the President of the CCFA within six (6) months of the signing of this agreement, unless a later date is agreed to by the two Presidents, and shall form the basis for the application of this clause, subject to approval by the CCFA and the administration.

- (f) Service accumulated during term appointments shall be credited toward seniority and all other benefits for which the Employee is eligible. In those instances in which the length of the appointment has permitted adequate time for regular faculty evaluation procedures to be applied, and where such evaluation has been fully satisfactory, all service accumulated will be credited toward the probationary appointment, provided that the conditions of the term assignment do not differ significantly from the position being offered. Service credited towards probation under this clause will be counted in terms of percentage of full-time employment, with two (2) full-time equivalent years required for completion of the equivalent of probation.

Should a Faculty Member accept a probationary appointment prior to completing two (2) full-time equivalent years of service on term appointments, the length of probation will consist of two (2) years minus the FTE time on term contracts. The remaining probation will be counted in aggregate, not FTE time.

- (g) Right of First Refusal

- (i) Term Faculty Members employed for two (2) semesters for the equivalent of two (2) consecutive academic years shall have the right of first refusal for the same or an equivalent term assignment in the next employment period, subject to successful evaluations.

(ii) In the case of assignments which occur annually for only one (1) semester, a term Faculty Member shall have the right of first refusal for that assignment when the Faculty Member has been employed on that assignment three (3) consecutive times and has been successfully evaluated.

(iii) A Faculty Member, following successful evaluation and completion of the required number of semesters as defined above, shall obtain this right of first refusal by filing an application with the office of the Dean or Director.

(iv) The Employer may not deny an individual first refusal rights under this clause as a result of having neglected to carry out evaluations of the Employee.

(v) First refusal rights remain in effect for one (1) year from the date of termination of the most recent term appointment and are renewed with each subsequent term appointment unless there is a break of more than one (1) year between appointments.

(vi) Without relinquishing the rights stipulated in this clause, a Faculty Member may refuse employment for one (1) semester after each two (2) semesters of employment in order to provide the Employee with the equivalent of a regular vacation period.

Any additional refusal of employment shall result in the relinquishing of the rights stipulated in this clause.

(vii) Should two (2) or more term Employees qualify for an appointment under this clause, the appointment shall be granted to the individual deemed most qualified by the Dean or Director in consultation with the Chair and other Faculty Members within the department.

Should the Dean or Director deem two (2) or more term Employees equally qualified, the appointment shall be granted to the individual with the most service in the bargaining unit.

1.03 PROBATIONARY APPOINTMENTS

- (a) A probationary appointment precedes a continuing appointment, except in the case of any former term Employee who completed the equivalent of a probationary period while on term assignments.
- (b) Probationary appointments shall be made for positions with fifty percent (50%) or more of an annual workload. The duration of the probationary period shall be two (2) academic years, irrespective of percentage of full-time equivalent employment, minus the length of accumulated full-time equivalent service in term positions which do not differ significantly from the position being offered.
- (c) The probationary period for continuing faculty who assume assignments in another department shall be one (1) academic year. No probationary period is required when the department to which the Faculty Member transfers is deemed by the appropriate Vice-President to be similar in nature to the Faculty Member's original department. If continuing faculty have an unsuccessful probation in another department, they shall be re-instated in their previous position or in a similar position.
- (d) A Faculty Member with a new probationary or continuing appointment shall receive at least one (1) week of paid preparation time at the start of the appointment.

1.04 CONTINUING APPOINTMENTS

- (a) A Faculty Member who has successfully completed a probationary appointment shall automatically receive a continuing appointment at the same or higher percentage of employment as on the probationary contract.
- (b) A full-time Faculty Member may be assigned to a continuing part-time contract without loss of accumulated seniority and shall continue to accumulate seniority on a prorated basis.

Except where a reduction in staff is applicable, a full-time Faculty Member shall not be converted to part-time without mutual agreement among that member, the Union and the Employer.

In the event that a previously full-time Faculty Member who has converted to continuing part-time wishes to revert to a full-time appointment, they can only do so if there is a vacancy for which the Faculty Member is qualified subject to the provisions of Clause 1.04(e) or if there was an agreement specifying the duration of part-time employment prior to that member becoming part-time.

- (c) A Faculty Member with a continuing part-time appointment shall be granted first refusal for increased employment in the same department, when, in the judgment of the Dean or Director, in consultation with faculty and the Chair, the Faculty Member is fully qualified to perform the duties comprising the additional workload. Should more than one (1) continuing part-time Faculty Member be qualified for the increased employment, the work will be assigned to the Faculty Member judged to be best qualified for the duties involved in the additional workload.

Should the Dean or Director deem two (2) or more continuing part-time Faculty Members equally qualified for the increased employment, the work will be assigned to the Faculty Member with the most seniority.

- (d) Transition from Term Appointments to Probationary or Continuing Appointments.

Any Faculty Member on a term appointment, other than indefinite term, shall upon application to Human Resources be granted probationary or continuing employment, subject to the following conditions:

- (i) The Faculty Member must have been appointed to a term position through the normal school selection procedures in effect at the time of their appointment.
- (ii) The Faculty Member must have completed term appointment(s) of at least eight (8) weeks of full-time equivalent employment in each of two (2) semesters in each of two (2) consecutive years. The resulting full-time equivalent employment over the two consecutive year period (i.e. two consecutive and complete twelve-month [12-month] periods) must be at least thirty-two (32) weeks for an average workload of at least fifty percent (50%) in each year.
- (iii) The Faculty Member normally must have worked in one department during the qualifying period, except in the case of Faculty Members who have done similar work in more than one department. Should there be disagreement concerning whether or not an individual who has worked in more than one department during the qualifying period is entitled to continuing status, the matter shall be resolved according to the provisions of Clauses 21.01 and 21.02.

1. The Faculty Member must have been successfully evaluated according to established evaluation procedures under Article 28.
2. An assignment averaging at least fifty percent (50%) of full-time employment, based on the normal workload of a full-time instructor in the relevant department, shall be available over two (2) semesters in the next year. The Employer is obligated to offer continuing employment when the annual budget and operating plan indicate that an assignment to the level stipulated above will be available. When the Employer concludes that sufficient work is not available to offer an individual a continuing contract, the Employer shall inform the individual and the Union in writing of the reasons for the decision.

All benefit calculations, including long term disability, will be based on the average annual percentage of full-time employment.

Conversion to a continuing appointment shall occur only at the beginning of the next term or semester following qualification and application.

The Employer shall not deny a Faculty Member the rights stipulated in this clause as a result of having neglected to evaluate the Faculty Member.

When more than one candidate is eligible for a single continuing appointment under this clause, the appointment shall be offered to the Employee with the most service in the bargaining unit.

- (e) When a continuing position in a department becomes available, the position shall be offered to a suitable candidate from the following categories, in the following order. Suitable is defined here as meeting the minimum requirements for the position as determined in advance, by the department in consultation with the Dean or Director.
 - (i) Laid off with reappointment rights, according to the provisions of Clause 3.04(b).
 - (ii) Employees with part-time continuing appointments, in the same department, according to the provisions of Clause 1.04(c).
 - (iii)
 - (a) Term Employees in the same department who have met the conditions necessary to convert to a continuing contract as described in Clause 1.04(d).
 - (b) Employees on indefinite term appointments who have successfully completed the equivalent of a probationary appointment.

Note: If two (2) people are equally eligible under (iii)(a) and (iii)(b), the Faculty Member with more service accumulated will convert.
 - (iv) Administrators with rights under Clause 1.09.
 - (v) Candidate selected through competition for the position.
- (f) Job Sharing

The Union and the Employer agree in principle to allow opportunities for job sharing. Arrangements and terms of employment shall be determined jointly by the Union and the Employer.

1.05 LETTER OF ACCEPTANCE OF APPOINTMENT

The Union shall receive copies of each letter of acceptance of appointment.

1.06 SELECTION OF NEW FACULTY

Faculty Members of the respective department shall be consulted in the selection of all new faculty.

- (a) Where a selection committee is deemed necessary by the Dean/Director, the Selection Committee shall normally consist of the following:
 1. the appropriate Dean/Director and/or designate, who shall be Selection Committee Chair,
 2. if applicable, the appropriate department Chair, or designate,
 3. two (2) Faculty Members from the department, appointed by the Department Chair. Where the Department does not have a Chair as per Clause 6.04, three (3) Faculty Members will be elected by the Department.
- (b) The Selection Committee Chair may increase the number of participants provided that the total number does not exceed six (6).
- (c) All members of the Selection Committee will actively participate in shortlisting, preparing interview questions, interviewing, and the hiring recommendation. The Selection Committee will make its recommendation to the Dean/Director.
- (d) The final hiring decision shall be made by the Dean/Director.

1.07 SENIORITY

For Employees on continuing or probationary contracts, seniority shall be based on all service on term, probationary, or continuing contracts where no break in service exceeds two years. Seniority for part-time contracts shall be pro-rated. A seniority period will be established and reported for each continuing or probationary Employee. An updated seniority list will be supplied to the Union at least annually.

Seniority continues to accrue during all leaves of absence.

1.08 TEACHING RIGHTS OF COLLEGE ADMINISTRATORS AND EXEMPT STAFF

- (a) "College Administrators" for the purpose of Clauses 1.08 and 1.09 means Associate Deans, Deans, Associate Directors, Directors, Vice Presidents, and the President.
 - (i) College Administrators may teach at any time if the need exists, but shall not displace a continuing or probationary Faculty Member from employment and shall not teach more than one (1) section in any term or semester without the consent of the Union.
 - (ii) No additional payment for instruction will be made to College Administrators.
 - (iii) College Administrators are not required to become members of the Union or to pay Union dues.
 - (iv) The appropriateness of the qualifications of College Administrators to teach will be determined by the responsible Dean or Director in consultation with the responsible Chair.

(b) Other Exempt Employees

Other exempt Employees may accept faculty assignments if they are deemed qualified by the usual faculty selection procedures. They will accept assignments on the same basis as other faculty and receive payment for duties above and beyond their management responsibilities and pay prorated Union dues to the Union. In no case will an exempt Employee, by accepting a faculty position, displace a continuing or probationary Faculty Member.

1.09 FACULTY STATUS FOR COLLEGE ADMINISTRATORS AND OTHER EXEMPT EMPLOYEES

- (a) The rights stipulated in this clause apply to College Administrators who opt to pay the Union an annual fee in lieu of dues. The amount of the fee will be determined by the Union and will not exceed the percentage of gross salary charged to Faculty Members.

The administrators stipulated above have the following rights:

- (i) The right, at their own or the Employer's request, to transfer to a continuing faculty position for which they are qualified if a vacancy exists, with the agreement of the appropriate Dean or Director in consultation with the appropriate Vice-President and the department. These transfers shall take priority over applications from persons outside the College and will not interfere with rights for a continuing appointment as specified in Clauses 1.04(e)(i)-(iii).
- (ii) The right to have all service to the College in a professional capacity counted in placement on the salary scale.

- (b) In addition to the right specified in 1.09(a), Faculty Members who leave the bargaining unit to occupy an exempt position at the College, and who opt to pay the Union an annual fee in lieu of dues have the following rights:

- (i) The right to exercise bumping privileges as described in Clause 3.02 should the member be laid off from their exempt position.
- (ii) The right to have all service to the College in a professional capacity counted in calculation of faculty seniority and placement on the salary scale.
- (iii) The right to transfer to a continuing faculty position under 1.09(a)(i) ahead of Faculty Members who gain rights to a continuing appointment as specified in Clauses 1.04(e)(i)-(iii) subsequent to the exempt Employee's written request for transfer.

If the College Administrator or exempt Employee declines a continuing appointment when it becomes available but still wishes to transfer to a faculty position, then the Employee's right to a continuing appointment will be ahead of only those Faculty Members who gain rights to a continuing appointment under Clause 1.04(e)(i)-(iii) subsequent to the date that the College Administrator or exempt Employee declined the appointment.

- (c) In order to obtain these rights, College Administrators and other exempt Employees must begin to pay the annual fee to the Union no later than three (3) months after assuming the exempt position. All rights will be extinguished if the exempt Employee later opts to discontinue paying the fee.

2. TERMINATION OF APPOINTMENT

2.01 RESIGNATION

Employees will give the Employer as much notice of resignation as possible, and will, where possible, arrange for the effective date to coincide with the end of a class instructional period. Where notice of less than one (1) month is given, only those separation payments provided by statute will be paid.

2.02 PROBATIONARY APPOINTMENTS

An Employee while on a probationary appointment may be terminated as a consequence of evaluation, as set out in Article 28, or under the provisions of Clause 2.03. In lieu of notice, severance pay equivalent to two (2) weeks' salary will be provided.

2.03 DISCIPLINARY PROCESS

(a) Right to Union Representation

The Employer shall inform an Employee of their right to Union representation prior to any meeting with the Employer that might reasonably be foreseen to form the basis for disciplinary action. If during a meeting, it becomes reasonably foreseeable that discipline may ensue, then the Employer shall inform the Employee of their right to Union representation and provide the Employee a reasonable opportunity to obtain representation.

(b) Suspensions

The President may suspend an Employee for cause. Disciplinary suspensions shall be in writing and shall set forth the reasons for the suspension. The Board shall be informed of the suspension within twenty-four (24) hours. At the same time, the President shall notify the President of the Union that the suspension has occurred. The President shall, within a reasonable period of time, either recommend dismissal of the Employee or reinstate the Employee with or without penalty. Whenever an Employee is reinstated without penalty, all documentation related to the matter will be removed from the Employee's personnel file.

Cause shall be defined to mean:

- (i) Gross misconduct; or
- (ii) Persistent neglect of faculty responsibilities (where neglect shall be taken to mean failure to correct deficiencies which have been indicated to the Employee in writing); or
- (iii) Professional incompetence related to faculty responsibilities; or
- (iv) Demonstrated unsuitability for the position.

(c) Termination for Cause

If there exists sufficient evidence to justify the termination of a probationary appointment, term contract, or continuing appointment of an Employee, the President shall advise the individual concerned in writing, in a meeting, by courier or by registered mail, stating their intention to recommend such termination to the Board, and setting forth the reasons for the recommendation and the effective date for the termination. Cause, as defined in (b), shall be deemed appropriate grounds for termination.

A copy of this letter shall be sent to the Chairperson of the College Board, and to the President of the Union.

(d) **Burden of Proof**

In all cases of termination or disciplinary action, the burden of proof of just cause shall rest with the Employer.

(e) Upon the Faculty Member's written request, adverse reports and letters of discipline contained in the personnel file shall be removed after twenty-four (24) months of employment, excluding any leaves, provided that no subsequent discipline has been imposed during that period. This provision does not apply to letters of expectation, which are non-disciplinary, or letters of suspension.

3. LAYOFFS

3.01 LAYOFF NOTIFICATION

(a) When a layoff is necessary due to changes of enrollment, the deletion of a program, technological changes or insufficient operating funds, an Employee shall be entitled to notice as follows, excluding annual holidays:

Four (4) months' notice Probationary and Continuing Employees with three (3) years of service or greater, irrespective of percentage of full-time equivalent employment.

Two (2) months' notice Term, and Probationary and Continuing Employees with less than three (3) years of service, irrespective of percentage of full-time equivalent employment.

The notice period shall be calculated from the date that the College issues the layoff notice. The Chairperson of the Board shall be informed of any layoff.

(b) In the event that the availability of additional employment is known before the designated layoff date, such that the Employee is able to continue without an interruption of greater than two (2) weeks, exclusive of vacations, the effective layoff date will be delayed to the end of the additional assignment. All benefits in effect at the original layoff date will continue during this extension, but no subsequent notice period will be given, nor will the period for exercising "bumping" privileges be extended.

When a layoff is necessary in a particular department, it shall occur in reverse order of service seniority. In each case, the remaining Employees in the department must have the essential skills or expertise needed to meet the departmental objectives and activities. However, the Faculty Member can transfer to any other department where the Employee is fully qualified, if necessary displacing a less senior Faculty Member.

The Employer will inform an Employee of their right to have a Union representative present at any meeting in which layoff is being discussed with an Employee.

Whenever possible, an Employee shall be given an opportunity to serve the College in some other capacity for which the Employee is qualified. This clause applies to all Employees, including those on leave at the time of layoff.

A written request for transfer to another department must be received within ten (10) working days of receipt of notification of layoff. Where an Employee is qualified in more than one (1) department, the Employee must always displace the least senior person.

3.02 TRANSFER AND BUMPING PROCESS - PROBATIONARY AND CONTINUING EMPLOYEES

If a transfer or bumping process occurs, the adequacy of the Employee's qualifications shall be determined by a committee composed of:

- (a) One (1) Faculty Member from the department which the Employee proposes joining and one (1) from the department from which the Employee is being laid off. These Faculty Members will be selected by the respective departments. These members will be resource persons and will not vote.
- (b) Three (3) Faculty Members appointed by the Union from schools not affected by the transfer.
- (c) Two (2) administrators appointed by the Employer from schools not affected by the transfer.

The Employee attempting to bump or transfer shall be deemed qualified if they possess the minimum qualifications for employment in the department or the qualifications of at least one current member of the department, whichever is lesser, subject to the Employees in the targeted department having the essential skills or expertise needed to meet the departmental objectives and activities after the bump or transfer.

3.03 RETRAINING - PROBATIONARY AND CONTINUING EMPLOYEES

- (a) An Employee who is to be laid off, who is not judged to be qualified to transfer to another position occupied by an Employee having less seniority as provided in Clause 3.02, and who has served the College for at least five (5) years, shall receive paid leave of up to eight (8) months, if required, in order to qualify for an available position within the bargaining unit. An available position is one which, within two (2) months of the time the layoff is given, is vacant or has been confirmed to become vacant within the retraining period. Payment for the leave will be prorated if only part-time leave is required. In the event no position is available, Clause 3.04 shall apply.
- (b) Where courses are altered or changed to the extent where new or greater skills are required than are already possessed by the affected Employee such that the Employee's continuing employment is threatened, such Employee shall be given up to two (2) months in addition to annual vacation and to scheduled development time provided in Clause 10 for approved professional development, with no loss of income, benefits or seniority.

3.04 SEVERANCE PAY AND REAPPOINTMENT - PROBATIONARY AND CONTINUING EMPLOYEES

Any continuing or probationary Employee, laid off as stipulated in Clauses 3.01 and 3.02 who has not received alternate placement under Clauses 3.02 or 3.03 will receive payout of accumulated vacation entitlement and is entitled to severance pay according to (a) below and to reappointment according to (b) below:

{a) Severance Pay

An Employee shall receive severance pay calculated as follows:

- (iv) Employees reappointed on continuing or probationary contracts who elected to receive their severance pay in equal monthly installments shall not receive severance pay for the unused portion of the severance period.
- (v) While receiving severance pay, the Employee will not accumulate seniority or be eligible for College pension or other benefits. If the Employee is rehired on a continuing or probationary contract and subsequently laid off again according to Clauses 3.01 and 3.02, the Employee will only be eligible to receive the portion of the original severance pay that was not received or which was repaid to the College at the time of rehiring plus any additional severance pay earned through the latest appointment.

An Employee may choose to accept severance pay without reappointment rights.

- (vi) The acceptance of severance pay by an Employee shall not prejudice the Employee's opportunity for employment at the College.

{b) Reappointment

- (i) An Employee with five (5) years' seniority or less shall be placed on a reappointment list for one (1) year. An Employee with more than five (5) years' seniority shall be placed on a reappointment list for two (2) years.
- (ii) Should positions be reinstated in the individual's previous department, reappointment shall be based on seniority, subject to the individual qualifying for an available assignment.
- (iii) Should other term, probationary, or continuing positions become available in a department other than the individual's previous department, reappointment will be based on seniority amongst individuals eligible for reappointment who are deemed qualified for the position by the Dean or Director in consultation with the faculty in the relevant department. In all cases, individuals eligible for reappointment have priority for available positions up to the individual's percentage of full-time employment at the time of lay-off.

- (iv) When the qualifications concerning an assignment in the individual's previous department are in question, the adequacy of the qualifications shall be determined according to a process established by the parties to this Collective Agreement.
- (v) When the qualifications concerning a position in another department are in question, the adequacy of the qualifications shall be determined by a committee with the membership stipulated in Clause 3.02.

4. PLACEMENT ON SCALE

4.01 PLACEMENT

For purposes of placement on the salary scale an Employee shall be assigned to one (1) of the following categories:

(a) Category I:

An Employee in this category will normally hold a degree from a recognized university at the Bachelor's level, or a combination of university, college or other training and work experience deemed to be equivalent to four (4) years of study at the college/university level.

(b) Category II:

An Employee in this category will normally hold a Master's degree, a Bachelor's degree plus a teaching certificate or instructor's diploma, or equivalent professional certification, which represents at least 5 (five) years of study at the college/university level.

4.02 SALARY RANGE

Please refer to Letter of Agreement 9 for the 2022-2025 salary scale.

The salary range for each of the categories described in Section 4.01 shall be as follows:

	Minimum Initial Placement	Maximum Initial Placement	Maximum Salary
Category I	Step 11	Step 4	Step 2A
Category II	Step 10 (Ph.D. Step 9)	Step 4	Step 1

Employees in Category I who qualify for advanced placement under Article 5.01 while at or prior to reaching Step 3 of the new scale shall progress from Step 3 to Step 2 and then Step 1 on their increment date.

Employees in Category I who qualify for advanced placement under Article 5.01 while at Step 2A of the new scale shall progress from Step 2A to Step 2 and then to Step 1 on their increment date.

4.03 RECOGNITION OF WORK EXPERIENCE AND ADDITIONAL EDUCATION FOR INITIAL PLACEMENT

For initial placement on scale, the following work experience and education beyond that required for initial placement according to Clause 4.01 and 4.02, shall be recognized by granting one (1) additional step on the scale, subject to any applicable maximum initial placement provisions.

- (a) Each year of teaching or relevant work experience in a college, technical institute, vocational school, secondary school, university or any educational setting in which the Employee's work was similar in essence to the Employee's Camosun assignment.
- (b) Each year of relevant work experience in a setting other than that stipulated in (a) to a maximum of 4 steps. Relevant work experience in excess of 4 years will be credited with one step for every two years.
- (c) Completion of an additional degree at the Bachelor's, Master's, or Doctoral level at a recognized university or college relevant to the College role of the Faculty Member, beyond the minimum requirements in Clause 4.01 and 4.02.
- (d) Completion of one (1) academic year of advanced study, or the equivalent in part-time studies, relevant to the College role of the Faculty Member, beyond the study leading to the degree(s) and/or certification credited to meet the minimum requirements in Clause 4.01 and 4.02. No more than one increment shall be claimed under this clause for a single program of study and an increment shall not be awarded for the same period of study under both (c) and (d).
- (e) Completion of professional certification equivalent to at least one (1) year of advanced study, relevant to the College role of the Faculty Member.
- (f) Completion of a teaching certificate or instructor's diploma.

The Employer shall provide to the Union a copy of each Employee's initial placement calculation.

4.04 INITIAL PLACEMENT PROCEDURE

Employees' initial salary placement shall normally be according to the terms of Clauses 4.01 through 4.03. The initial placement procedure, including maximum placement on the scale, applies to all Faculty Members new to the College, and to all Faculty Members who have had a break in employment with the College of 36 months or longer.

At the request of the Employee, placement on the salary scale may be reviewed at any time. Increases to an Employee's placement on scale resulting from the review of qualifications shall be retroactive to the time of appointment if the review is initiated within six (6) months of the acceptance of the offer of appointment. Otherwise, increases shall be retroactive to the date on which the Faculty Member requested the review.

A request for review of placement received more than six (6) months after the acceptance of the offer of employment must be based on a specific identified area of concern. Changes in placement procedures which were agreed to by the two parties since a Faculty Member's most recent placement shall not be grounds for review unless the changes were agreed to be retroactive.

The administration shall include along with the letter of appointment an information packet including an explanation of the calculations leading to the Employee's initial placement on scale referenced to Clauses 4.01 through 4.04.

To attract specialized personnel, or to facilitate transfer of continuing Faculty Members from other B.C. colleges, universities and institutes, the administration may, with the agreement of the Union, offer placement on the salary scale above the step which would result from the calculations of an individual's work and educational background, or above the maximum initial placement.

4.05 PAYMENT OF SALARIES

All Employees shall be paid bi-weekly (every second Friday).

5. INCREMENTS

5.01 ADVANCED PLACEMENT UPON CHANGE OF QUALIFICATIONS

This clause applies only to Faculty Members already employed on term, probationary or continuing appointments.

Work experience and/or education (beyond that normally required for the initial category placement) will be recognized by changing the Employee's maximum salary to Step One and advancing the Employee's current placement by one (1) Step for each of the following, upon presentation of transcripts and/or verified documentation:

- (a) The completion of an additional degree at the Bachelor's, Master's, or Doctoral level, at a recognized university or college.
- (b) Completion of one (1) academic year of advanced study, or the equivalent in part-time studies, relevant to the College role of the Faculty Member, beyond the study leading to the degree(s) and/or certification credited to meet the minimum requirements for the Faculty Member's salary category.
- (c) Completion of professional certification equivalent to one (1) year of advanced study relevant to the College role of the Faculty Member.
- (d) Completion of a teaching certificate or instructor's diploma.
- (e) Completion of a period of research, work experience, or private study, or a combination, equivalent to one (1) academic year of advanced study, or the equivalent in part-time study, relevant to the College role of the Faculty Member. All activities related to this clause must be **PLANNED IN ADVANCE** by the Faculty Member and **APPROVED IN ADVANCE** by the Advanced Placement Review Committee. The Advanced Placement Review Committee, as outlined in a Letter of Agreement between the Employer and the Union, shall process and review all applications related to this clause and shall forward its placement recommendations to the appropriate Vice-President.
- (f) Completion of a second Journeyman Certificate, following a formal approved program of study with a duration equivalent to at least one (1) academic year, in a trade relevant to the College role of the Faculty Member.

An increment will not be awarded under this clause for activities previously recognized for category and/or step placement.

No more than one increment shall be awarded under this clause for a single program of study leading to a degree, and an increment shall not be awarded for the same period of study under (a), (b), and/or (c).

To qualify for increments under this clause, an Employee must submit to the Human Resources Department documentation satisfactory to the Employer in support of the Employee's claim. The increase will be retroactive to the date of successful completion, upon receipt of appropriate documentation, provided that the retroactivity does not exceed three (3) months and is within the same fiscal year. The Employer shall inform the Employee in writing of the Employee's new classification for salary purposes, stating the new step and maximum placement.

5.02 INCREMENTS FOR SERVICE

For each full-time equivalent year of service to the College an Employee is entitled to one (1) increment on the salary scale until the Employee reaches the maximum for their category. (Note: for term Employees who receive vacation pay rather than vacation, a full-time equivalent year of service is ten months; therefore, 217 FTE days is used as the basis of increment calculations for these Employees). Employees shall receive the increment pay increase on the first pay period following attainment of each full-time equivalent year of service.

5.03 PROFESSIONAL DEVELOPMENT LEAVE

An Employee on professional development leave may, with prior approval, be regarded as a full-time Employee for up to twelve (12) months, for purposes of salary increment. An Employee receiving an increment for this period may not also claim an increment for any credential earned during this period under Clause 5.01. However, the credential earned shall be used to extend the maximum placement by one (1) Step.

6. CHAIR

6.01 STIPEND

- (a) Chairs shall be entitled to an administrative stipend as set out in Appendix B. When it is deemed necessary to appoint an acting Chair because of an extended absence of a Chair, the acting Chair will also receive an amount equal to the amount of stipend that the Chair receives.
- (b) In departments in which more than one individual is required for administration, the Faculty Member(s) (such as "program leaders") designated to assist shall receive up to one-half (1/2) of the Chair's stipend. At the discretion of the Dean or Director, the Employee's workload may also include designated time for these additional duties.
- (c) In those instances where the College creates a separate department comprising fewer than three (3) faculty FTE, one of the Faculty Members in that department shall be selected to provide the required administrative services and shall receive a prorated stipend up to one-half (1/2) the Chair's stipend. At the discretion of the Dean or Director, the Employee's workload may also include designated time for these additional duties.

6.02 CHANGE OF STIPEND

The amount of the stipend shall be subject to the same percentage increase and effective dates that apply to general wages.

6.03 DUTIES OF CHAIRS

The duties and responsibilities of the position shall be established by the Dean/Director, following consultation with the Faculty Members of the department. Such information shall be made available to all prospective applicants and shall be subject to review by the parties to this Collective Agreement.

6.04 COMPLEMENT OF CHAIRS

For each department (career program or subject cluster defined by the College) which consists of three (3) or more FTE faculty, a Chair shall be appointed. Every Faculty Member shall belong to a department. Each Chair will have release time for Chair duties established from time to time by the Dean or Director and Vice-President in consultation with the department Chair.

6.05 APPOINTMENT OF CHAIRS

Each position shall be advertised internally and filled without external advertising if a suitable candidate is found. The Dean/Director or designate shall appoint Chairs and shall specify in writing procedures for adequate faculty consultation in the selection process.

Each Chair position will be filled by a member of the given department unless there are no suitable applicants from the department. In any event, the successful candidate will be qualified in at least one (1) area of the department's expertise.

6.06 TERM OF OFFICE OF CHAIRS

The term of office shall be three (3) years with the position being declared vacant and posted for one (1) month, at least two (2) months prior to the end of the three (3) year term. The appointment of the incumbent will be automatically renewed if no applications for the position besides the incumbent's are received. An evaluation will be conducted at least once in the first two (2) years of the term of office. If re-appointed, the Chair shall be evaluated at least once during each subsequent term. All Faculty Members in the department shall have the opportunity to contribute to these evaluations. When a Chair position is vacated during the term, the position shall be posted for two (2) weeks, and a replacement appointed as soon thereafter as is practical. In consultation with the department, the Dean or Director may choose to appoint the replacement for any period of time between the remainder of the three (3) year term and three (3) years.

6.07 ALLOCATION OF CHAIR POSITIONS

The Employer does not plan to redefine departments for the purpose of making significant adjustments in Chair positions. As the College grows and changes, past practice will be a major consideration in the allocation of Chair positions and release time.

7. WORKING CONDITIONS

7.01 WORKLOAD

An annual workload for each Employee shall be determined by the Employee, their Chair and their Dean or Director, working together to consider each of the following factors:

- (a) class size;
- (b) nature of course;
- (c) number of different courses and preparation time;
- (d) support staff;
- (e) marking;
- (f) office hours and all other forms of individual student consultation;
- (g) committee involvement;
- (h) non-teaching duty days;
- (i) variation in class size during a term;
- (j) administrative responsibilities and/or other non-instructional professional duties;
- (k) spread of daily teaching hours beyond eight (8) hours;
- (l) variation or changes in curriculum;
- (m) nature of student intake;
- (n) number of campuses or other work sites on which the Employee is required to teach;
- (o) education technology, distributed learning and on-line education duties;
- (p) prior learning assessment duties.

A minimum of 12 hours must elapse between the conclusion of a Faculty Member's scheduled work on one (1) day and the beginning of the Faculty Member's scheduled work on the next day.

In establishing workload, the Employer and the Union shall be guided by the following principles:

PRINCIPLES

All full-time faculty covered by this agreement shall be expected to work within the same range of hours, although some may work more or less in response to specific circumstances.

This range shall be thirty-five (35) to forty (40) hours per week averaged over the 205 day year. The resulting annual total of working hours for full-time faculty shall be in the range of 1435 to 1640 hours. Working hours for part-time faculty shall be prorated at the same percentage as their percentage of a full-time assignment.

Faculty workloads should span the expected range. Thus the average annual workload within a department should be in the order of 37.5 hours per week.

It is recognized that the majority of Faculty Members experience substantial variations in daily and weekly hours of work. This variation could range from six (6) to nine (9) hours of work per day. The average load over a specific semester may rise to a maximum of 8.5 hours per day, or 42.5 hours per week, subject to the following conditions:

1. the annual load, when averaged over the 205 day year, falls within the ranges specified above, and
2. the average load in the adjacent semester does not exceed forty (40) hours.

In the event that exceptional circumstances result in the guideline being exceeded, the Faculty Member, Chair, and Dean or Director must agree to the assignment. Compensation for the period of excessive workload shall be agreed to in advance. A continuing or probationary Faculty Member who accepts an assignment with an excessive workload will either be given time off at a time acceptable to the Faculty Member, Chair and Dean or Director or will receive prorated remuneration at the Faculty Member's discretion. All other Faculty Members who accept an assignment with an excessive workload will received prorated remuneration. Faculty Members have the right to Union representation when discussing compensation for excessive workload with the College under this clause.

Faculty members who do not experience substantial variation on work assignments should expect to work an average of between seven (7) and eight (8) hours per day.

Faculty workloads will reflect departmental, rather than school-wide or College-wide conditions.

The workloads of Faculty Members within each department must fit the department's normal workload pattern.

When the Employee, Chair, and Dean or Director cannot reach agreement on a Faculty Member's workload, the matter will be resolved in accordance with Clause 21 of this Collective Agreement. Should the grievance be resolved in favor of an individual Faculty Member who filed a complaint, the Employee's workload must be reduced by the beginning of the next term and appropriate compensation arranged for the period of excessive workload.

A Joint Union-Employer Committee may refine and revise methods for collecting and interpreting information relating to the establishment of workload patterns which are in accord with the principles stated above.

Should the Committee find that workloads in a department require revision, the department shall revise the workload to fit with the above principles in time for the next budget year.

In fostering appropriate norms in each department the Joint Faculty/Administration Committee shall adhere to the principles stated above and shall seek to bring into alignment the workloads of departments with similar ranges and types of responsibility.

CHAIRS

The combined instructional and administrative duties of a Chair shall not result in a workload which is significantly in excess of the total duties performed in an equivalent instructional workload.

7.02 WEEKLY CONTACT HOURS

- (a) The number of contact hours per week for an Employee carrying a full instructional load shall vary between sixteen (16) and twenty-four (24). It shall be based on the following guidelines prorated for each situation.

Normal maximum contact hours:

(i) Lecture (substantial preparation or marking generally large group)	16 hrs/wk
(ii) Laboratory	24 hrs/wk
(iii) Tutorial or seminar (20 or fewer students engaged in individualized or small group study)	24 hrs/wk
(iv) Shop, clinical or classroom	24 hrs/wk

Weekly contact hours may vary to a maximum of thirty (30) hours in any one (1) week, and these guidelines may refer to annual averages in instructional assignments.

In departments in which a lower number of weekly contact hours has been established, either through past practice or through modifications resulting from the workload assessments carried out as part of the 1989-1991 workload review, the lower number shall be considered the maximum.

The percentage workload of part-time Faculty Members shall be calculated by using their weekly contact hours as the numerator and the established weekly contact hours in effect for full-time faculty in their department as the denominator. For faculty in departments with thirty five (35) hour weekly work assignments the denominator shall be thirty-five (35) and the numerator shall be the Faculty Member's number of assigned weekly hours.

- (b) Non-Teaching Duty Days

A teaching Employee will be expected to be on campus and engaged in College work, including department meetings, on week days other than 'paid holidays' and their annual vacation, unless the Employee has obtained specific approval to be off campus for professional development under Clause 10 or to perform clearly specified college work.

7.03 NON-TEACHING EMPLOYEES AND NON-TEACHING DUTIES

- (a) Non-teaching Employees shall have a scheduled work week of thirty-five (35) hours per week averaged over a two (2) week period.
- (b) Chairs in non-teaching areas will receive release time proportional to those in instructional areas.
- (c) Professional Studies & Industry Training Coordinators, Camosun International Coordinators, and Program Developers within Professional Studies and Industry Training shall have a scheduled work week of thirty-five (35) hours per week averaged over a sixteen (16) week period. When a non-teaching Employee as described in Clause 7.03(c) and the Dean or Director cannot reach an agreement on the workload, the matter will be resolved in accordance with Clause 21 Resolution of Disputes.

Qualified Employees may be assigned teaching and/or non-teaching duties to meet the varying needs of the College.

7.04 SUBSTITUTE INSTRUCTORS

(a) Selection:

Whenever possible, the Employer will provide substitute instructors to relieve instructors who are absent as a result of illness or emergency. The procedure for recruiting, determining suitability and assigning substitutes shall be developed by the appropriate Dean or Director, in consultation with their Chairs.

(b) Conditions of Employment for Substitutes and Reporting Responsibilities:

Substitute instructors shall be paid an hourly rate in accordance with the following table and shall receive only statutory benefits, for a period of up to four (4) weeks for any single assignment.

EFFECTIVE	HOURLY RATE
APRIL 1, 2022	\$52.16
APRIL 1, 2023*	\$55.68
APRIL 1, 2024*	\$57.35

*The salary increases have been adjusted pursuant to Letter of Agreement 11 Re: Cost of Living Adjustment.

Faculty members with part-time appointments who accept substitute work will be compensated for their work as substitutes under the provisions of this clause.

Whenever a Faculty Member is unable to meet a scheduled class because of illness or other reason, they shall inform the Dean or Director's administrative office with as much advance notice as possible. Only the Dean or Director, or designate, will cancel a class, and will inform students of any cancellations.

Faculty Members will provide as much notice as possible of their absence, and will inform the Employer, if possible, before 16:30 hours if the absence is to continue into the next working day.

When possible, classes will be taught by a substitute instructor. In the event that a substitute instructor cannot be provided, the Dean or Director may request a full-time Faculty Member, whom the Dean or Director judges to be qualified, to provide instruction for the class(es) affected by the absence of the regular Faculty Member. When a full-time Faculty Member has taught five (5) hours 'in relief, the Faculty Member shall be granted one (1) additional day of vacation at a time mutually agreed upon by the Faculty Member and the Dean or Director or receive payment at the Faculty Member's current salary rate, at the discretion of the Dean or Director.

(c) Overload:

In the event that a position is vacated during the course of a term or course and a satisfactory replacement cannot be found, a fully employed Employee(s) may be requested to carry an overload for the remainder of the term of the course.

An Employee who accepts such an overload will either be given time off at a time acceptable to the Faculty Member, Chair, and the Dean or Director or will receive prorated remuneration and vacation credits.

7.05 CONTINUING EDUCATION (CE)

- (a) Faculty members covered by this Agreement shall be given the first opportunity to teach CE courses for which they are qualified.
- (b) Instructors of courses generated by CE will be covered by this Agreement and thus paid on the Union scale when the courses are for credit or duplicate courses taught by Union faculty.
- (c) When instruction in CE is considered part of an instructor's annual workload, no additional salary will be paid.
- (d) When an Employee is carrying a full instructional load-as defined by this Agreement, additional instruction for CE courses shall be reimbursed according to the current relevant CE scale, except as limited by 7.05(b). Each full-time equivalent year of teaching 'at Camosun or a similar institution shall result in a CE increment but shall not result in a salary exceeding the maximum salary on that scale.

7.06 PREPARATION TIME FOR NEW EMPLOYEES

Whenever possible, the Employer shall provide for new Employees to be employed at least two (2) weeks in advance of assuming a full teaching load. This includes probationary or term appointments of four (4) months duration or longer. A new Employee is defined as one who has not previously taught at the College.

8. ANNUAL VACATION

8.01 ENTITLEMENT

- (a) Probationary and continuing full-time and part-time Employees and term Employees with appointments of 12 months or longer shall have an annual vacation entitlement of forty-four (44) working days. For part-time continuing or probationary faculty, salary during vacation shall be prorated in the same manner as during the period of work. The three (3) non-teaching days between Christmas and New Year's shall be part of the annual vacation entitlement unless the College directs the Employee to work during those days.

The scheduling of annual vacations, including vacation days carried over, shall be carried out by the Faculty Member, the Chair and the Dean or Director working together to consider the needs of the College and the interests of the Employee. Vacation shall normally be taken in one block, exclusive of the days at Christmas. In any case, each Faculty Member, with the exception of coordinators and Program Developers in Professional Studies and Industry Training, shall have the right to a minimum of six (6) uninterrupted weeks of vacation (30 days). Vacation is not normally approved during peak work periods, instructional or otherwise.

When no agreement can be reached on vacation scheduling or entitlement, the matter will be resolved in accordance with the Resolution of Disputes procedures in this Agreement (Clause 21).

Vacation adjustments occur on September 1st of each year. Eligible Employees who work less than the full September to August period shall have their vacation entitlement prorated.

With the Dean or Director's approval, a Faculty Member may carry over up to twenty (20) days' vacation for one (1) year only. If a Faculty Member agrees to waive any portion of their vacation time in a situation in which the vacation will not be taken at another time, the Employee will be paid for this time in addition to the Employee's regular salary at the Employee's usual rate of pay. In such instances the waiver shall be signed by the Faculty Member and the Dean or Director.

- (b) Term faculty with appointments of less than twelve (12) months are entitled to vacation pay equal to sixteen and eight-tenths percent (16.8%) of the gross salary earned, and paid bi-weekly, during the time of appointment.

Term Faculty Members with appointments of less than 12 months whose appointments span the week between Christmas and New Year's are not entitled to be paid for the three (3) non statutory days in that week, unless these three (3) days form a part of the Faculty Member's preparation time or other assigned work time, as stipulated in Clause 1.02(c), paragraphs 1 and 2. If the 3 days do not form a part of preparation time or other assigned work, the 3 days will be unpaid. These unpaid days will be included in whatever benefits or seniority the College is providing for the term Employee.

- (c) Vacation, once approved by the Employer, shall not be changed except by mutual agreement between Employee and Employer.

8.02 SICKNESS

In the event that an Employee requires hospitalization or is seriously ill during their annual vacation period, the Employee shall upon request and upon presentation of a physician's statement, apply the period of illness or hospitalization to sick leave rather than vacation. The Employee must inform the Dean or Director of the claim within two (2) months of returning to work.

8.03 UNUSED AND OVERUSED VACATION

Continuing Employees and any Employee appointed to a contract of one (1) year or more shall earn vacation, as specified under Clause 8.01. Normally two (2) months, but at least one (1) month of vacation shall be taken during the first twelve (12) months of employment. Upon termination, adjustments for unused or over-used vacation entitlement will be made to the final salary settlement.

9. PAID HOLIDAYS

The following have been designated as paid holidays:

New Year's Day	Family Day
Good Friday	Easter Monday
Victoria Day	Canada Day
British Columbia Day	Labour Day

Any other holiday proclaimed as a holiday by the Federal, Provincial or Municipal Governments for the locality in which the Employee is working shall also be a paid holiday.

10. FACULTY DEVELOPMENT PROGRAM

10.01 SCHEDULED DEVELOPMENT TIME FOR FACULTY

Scheduled development time for faculty is based on the recognition of the need for continuous development of Faculty Members, of educational practice, and of the organization. Scheduled development time and activities support Faculty Members in the development of their own learning related to their current or potential role(s) at the College and in the application of their knowledge, skills and awareness to the ongoing development of the College as a learning -centered institution. Scheduled development time and activities support Faculty Members in responding to identified learning and development needs of students, departments, community groups, the College, and the individual Faculty Members themselves. These activities may include but are not restricted to formal or private study, either for credit or not for credit; research; industrial or community liaison; work experience; relevant travel; course, curriculum, and/or program development, review, and revision; exploration and development of new course materials; development of instructional innovation; and participation in the planning or governance procedures of the department, school, or College.

(a) Categories of Scheduled Development Activities

While scheduled development activities vary broadly, projects should be classified among the following three general categories:

Professional Development focuses on the Faculty Member's development of knowledge, skills, and awareness related to the Faculty Member's educational practice, area(s) of professional expertise, and current or potential college role(s).

Instructional Development focuses on the development of instruction, courses, and programs, with the purpose of enhancing student learning.

Organizational Development focuses on the development of department, school, or College operations or procedures as a means of providing an effective learning and teaching environment.

While scheduled development projects may include any or all of these categories, over time approximately half (1/2) of a Faculty Member's activity shall focus on professional development. With approval from their Dean or Director, Faculty Members may increase their proportion of professional development.

(b) Entitlement to Scheduled Development Time

(i) Continuing, probationary, indefinite term (as per Clause 1.02(d)), and post-retirement (as per Clause 18.03) Faculty Members, with the exception of International Education Project Officers, Senior Analysts, and Program Developers in Professional Studies and Industry Training, shall be granted annually two (2) months' time, or the equivalent, free of regular duties, for approved scheduled development activities (except when reductions apply as per Clause 10.01(d) or where the conditions of Clause 10.01(b)(iii) are not met). Part-time Faculty Members are entitled to two (2) months' time at their normal rate of pay.

(ii) Except for activities which are approved by the Dean or Director for deferral as in Clause 10.01 (g), scheduled development activities are conducted within a twelve (12) month period commencing May 1st. This twelve (12) month period is referred to in this agreement as "the development year."

- (iii) New probationary, continuing, indefinite term, or post-retirement Faculty Members must have been employed on term, probationary, continuing, post-retirement, or indefinite term appointments by the September preceding the development year in order to be eligible for Scheduled Development in that development year.
 - (iv) Term top-up assignments to part-time continuing appointments do not lead to increased scheduled development time.
 - (v) International Education Project Officers, Senior Analysts, and Program Developers in Professional Studies and Industry Training are each entitled to one (1) month of scheduled development time annually, normally to be taken as a two (2) month scheduled development activity every second year.
 - (vi) Chairs are entitled to scheduled development time on the basis of their entire assignment, which includes their Chair duties and their instructional or student development duties.
- (c) Combining Scheduled Development Activities and Professional Development
- (i) With the approval of the Dean or Director, Faculty Members shall be entitled to take their scheduled development time as part of an extended development project which includes a period of paid or unpaid professional development leave. The criteria for approval of such proposals shall be consistent with the criteria normally used in relation to applications for scheduled development time. Such proposals shall not be unreasonably denied.
 - (ii) If such a leave is greater than one (1) year, a Faculty Member is eligible for scheduled development time in connection with that leave one time only.
 - (iii) Time taken on brief professional development activities, approved and funded by the Professional Development Committee, and taken outside the scheduled development period, is not considered part of the Faculty Member's scheduled development time.
 - (iv) Faculty Members on scheduled development projects may apply for Professional Development Committee funds or other College funding for expenses incurred in their projects.
 - (v) Scheduled development time may be used in combination with regular assigned duties.
- (d) Reductions in Scheduled Development Time
- (i) Scheduled development time for Faculty Members, including Faculty Members in their year of retirement, is based on their employment in the previous development year, as defined in Clause 10.01(b).
 - (ii) The following provisions do not apply to approved scheduled development activities taken in combination with paid or unpaid professional development leaves as described in Clause 10.01 (c).

Length of unassisted leave of absence based on continuing workload equivalent	Reduction in scheduled development time in Faculty Members' next scheduled development period
Two (2) months or less	No reduction
More than two (2) and up to six (6) months	One (1) month reduction
More than six (6) months	No entitlement to Scheduled Development

- (iii) Faculty Members who incur a reduction in scheduled development time will carry out their regular duties or other assigned duties per Clause 7.01 during the remainder of their scheduled development period. These duties may be done in combination with the remaining scheduled development activities as agreed upon by the Faculty Member and Dean or Director.
- (iv) When a Faculty Member takes a partial leave of absence for a full year, the scheduled development time will be at the percentage of salary that applies during the rest of the leave of absence.
- (v) Faculty Members returning from STD and LTD leaves will have no reduction in their entitlement to scheduled development time. When possible and appropriate, the scheduled development activities for such Faculty Members may be incorporated with their overall return to work plan.

(e) Scheduling of Development Activities

Scheduled development activities shall take place in one (1) uninterrupted block of time, free of regular duties, unless the Faculty Member and the Dean or Director agree to another pattern. The scheduling of the block of development time and arrangements for other patterns will be established by the agreement of the Faculty Member, the department Chair, and the Dean or Director.

(f) Planning of Scheduled Development Activity

- (i) Prior to each development year, Faculty Members applying for scheduled development time shall submit intents and proposals according to the table below:

SD PERIOD	SUMMER	FALL	WINTER
Submit intent to Chair and Dean	February 1	February 1	February 1
Submit proposal to Chair	February 1	June 1	October 1
Submit proposal to Dean/Director	February 15	June 15	October 15

- (ii) If a Faculty Member does not submit a formal proposal by the relevant submission deadline, the Faculty Member is deemed to have forfeited their scheduled development time for the coming development year unless extension is agreed to by the Dean or Director.

- (iii) The Dean or Director shall formally respond to all proposals within one month of the deadline for submission to the Dean or Director. Proposals which do not receive a response by the approval deadline will be deemed to have been approved.
 - (iv) Proposals for the use of scheduled development time shall not be unreasonably denied. The rejection of a proposal by a Dean or Director does not result in the forfeit of the scheduled development time, but results in discussions between the Faculty Member, and the Dean or Director to reach agreement on the Faculty Member's scheduled development activity. Should the Faculty Member and the Dean or Director be unable to agree on a mutually acceptable development activity the matter shall be referred to the Dispute Resolution process (Clause 21.01 and 21.02).
- (g) Deferral of Scheduled Development Time
- (i) When the Dean or Director and the Faculty Member agree that the Faculty Member's College assignment prevents the Faculty Member from utilizing all or part of the Faculty Member's scheduled development time, the Faculty Member shall defer all or part of the scheduled development time for future use. In other instances, deferrals of scheduled development time are limited to two (2) months, except in the case of specific projects which require a longer period and meet the approval of the Dean or Director. Such projects may include, but are not restricted to, university programs and work or other experience relevant to the Faculty Member's current or potential role(s) at the College.
 - (ii) Proposals for deferral of scheduled development time shall not be unreasonably denied, but shall be planned where possible and applicable, to occur in periods of reduced student activity. In cases where programs have limited or no periods of reduced student activity, the College's operating plan will contain a commitment, within the limits of available resources, to provide replacement faculty for Faculty Members taking scheduled development time.
- (h) Accountability for Scheduled Development Activities
- (i) Approved scheduled development activities constitute legitimate work assignments that are subject to the same standards and expectations of any normal professional activity undertaken by Faculty Members. Albeit the nature of these activities reflects development needs and goals of individual Faculty Members, scheduled development activity constitutes College work that is supported by College resources for the ultimate benefit of the students served. Deans/Directors and individual Faculty Members are responsible for ensuring that scheduled development activities are conducted in accordance with approved plans and standards.
 - (ii) Faculty members are responsible for submitting a report to the Dean or Director summarizing the results of each year's scheduled development activity by the last day of their approved scheduled development period unless an extension is agreed to by the Dean or Director.

- (iii) Days of illness during development projects must be reported as sick days in the normal fashion. There is no carry forward of development time lost as a result of illness. When illness interferes with the completion of a scheduled development project, the Faculty Member, with the agreement of the Dean or Director, is freed in whole or in part for responsibility for completion of the Faculty Member's project. In cases of disagreement on the impact of the illness on the Faculty Member's ability to carry out scheduled development activity, the matter will be resolved through the Dispute Resolution process (Clause 21.01 and 21.02).
- (iv) Although some minor variations are to be expected, each Faculty Member is obligated to carry out the general plan described in the Faculty Member's approved proposal. The developmental and exploratory nature of some projects may result in not all of the stated goals being achieved. However, major changes must be reviewed and approved by the Dean or Director in advance of the change.

A Faculty Member cannot earn both increment credit under this clause and a step for advanced placement under clause 5.01 for the same activity.
- (d) Arrangements for the leave must take into account that an Employee's annual vacation entitlement will be reduced in proportion to the leave period. During this additional period of leave, Employees' benefits will not be affected, and they shall not have their vacation or scheduled development entitlement diminished further.

21. GRIEVANCE PROCEDURE

21.01 RESOLUTION OF DISPUTES OR COMPLAINTS

Under the terms of this clause, individual Faculty Members, the Employer and/or the Union as a whole may raise complaints or attempt to resolve disputes concerning the administration, application, interpretation or alleged violation of this Agreement or other matters relating to employment at the College.

The Union and the Employer agree to attempt to resolve disputes and complaints at the earliest possible stage through procedures which bring together the concerned Faculty Member(s) and the appropriate excluded Administrator(s) for frank and open discussion.

(a) Informal Dispute Resolution

A Faculty Member is encouraged to discuss with the appropriate Administrator, prior to the initiation of a grievance, any problems relating to the Faculty Member's employment to resolve the matter promptly and informally. A Faculty Member is entitled to have a representative of the Union present for such discussions.

Any resolution of a dispute or complaint shall be consistent with this Agreement. If the Union is of the opinion that a complaint has been resolved in a manner inconsistent with the terms of this Agreement, then the Union may initiate a grievance on the resolution.

(b) Grievance Procedure

All grievances shall be initiated by the Union. Time limits specified throughout this process may be extended by mutual agreement.

Step One

Grievances shall be initiated by the Union in writing within twenty (20) working days following the completion of any attempt at informal resolution under Clause 21.01 (a).

If the informal dispute resolution process under Clause 21.01 (a) is not utilized by the grievor, then a grievance must be initiated by the Union within sixty (60) working days after the date on which the grievor first became aware of the action or circumstance giving rise to the grievance. The Union will present the written grievance to the appropriate Employer representative at a meeting scheduled to discuss the matter and the parties will attempt to reach a resolution.

The Employer shall have ten (10) working days after the Step One grievance meeting to respond in writing.

Step Two

If the grievance has not been resolved in Step One, the Union will, within ten (10) working days, provide a detailed description in writing to the appropriate Administrator and Human Resources specifying the nature of the grievance, the Union's arguments, the violation of the Collective Agreement and the suggested remedy. The appropriate Administrator will provide the Union with a written response within ten (10) working days.

Step Three - Written submission to the President's office

Failing a resolution at Step Two, the President's office shall receive written submissions from both parties. The Union shall submit the written grievance to the President's office within twenty (20) working days of receiving the Employer's Step Two written response. The Employer representative shall make their submission within twenty (20) working days from the date on which the President's office received the Union's submissions. The President or designate retains the option of calling the parties together to seek or recommend a resolution. Should no resolution acceptable to the parties be achieved, the President or designate will provide a written decision within 10 (ten) working days of receiving the Employer representative's submissions. If the Union determines within 10 (ten) working days of receiving the President or designate's written response that the decision is not acceptable, the Union has the option of submitting the grievance to arbitration.

Step Four - Arbitration

When a party has requested that a grievance be submitted to arbitration, the parties shall attempt to reach mutual agreement on the appointment of a single arbitrator (the "Arbitrator"). If agreement cannot be reached, an Arbitrator will be chosen by lot from the list in Appendix D of the Common Agreement.

The Arbitrator shall give full opportunity to all parties to present evidence and make representations. The Arbitrator shall hear and determine the difference or allegation and shall make every effort to render a decision within thirty (30) days of the conclusion of the proceeding.

The decision of the Arbitrator shall be final, binding, and enforceable on the parties.

The Arbitrator shall have the power to dispose of a discharge or discipline grievance by any arrangement which the Arbitrator deems just and equitable.

The Arbitrator shall not have the power to change this Agreement or alter or amend any of its provisions.

Should the parties disagree as to the meaning of the Arbitrator's decision, either party may apply to the Arbitrator to clarify the decision, which the Arbitrator shall make every effort to do within seven (7) days.

Each party shall pay one half (1/2) of the fees and expenses of the Arbitrator.

At any point in the process, the parties may by mutual consent refer the matter to a mediator agreed to by the Union and the Employer.

CAMOSUN COLLEGE

and

CAMOSUN COLLEGE FACULTY ASSOCIATION

RE: COMMON FACULTY PROFESSIONAL DEVELOPMENT FUND

Introduction

The Common Faculty Professional Development Fund ("Fund") has been created through Article 16 of the Common Agreement. It provides that the College create a fund representing 0.6% of annual salary each fiscal year for the purpose set out therein. The Fund is not meant to replace any existing development or educational funds.

The fund is to be used in support of various types of professional development activities for the maintenance and development of the Faculty Members' professional competence and effectiveness. It is intended to assist faculty to remain current and active in their discipline and program.

The Fund will be used to support approved professional development activities for CCFA members.

Eligibility

Faculty Members or groups of Faculty Members employed by the College shall be eligible to apply. Program areas, departments, and/or Schools may apply for monies from the Fund to be used to support the professional development of faculty in a manner consistent with the purpose of the fund as set out above.

Application and Approval

Applications to the Fund shall be reviewed by the Professional Development Committee ("Committee") provided for in Article 10.02 and Appendix A of the local portion of the Collective Agreement between the parties.

Applications to the fund require the written "approval in principle" of the applicant's Dean or Director.

The Committee will evaluate each application and the committee's recommendations for acceptance shall go to the appropriate Vice President or designate.

The appropriate Vice President or designate will consider the recommendations of the Committee and shall be responsible for the final approval of all applications.

Where the Vice President or designate does not agree with a recommendation of the Committee, the Vice President or designate shall provide reasons in writing to the applicant(s) and the Committee.

Selection Criteria

The Committee will review all applications for the Fund and assess the merits of each application based on a number of factors including the following:

- the value to the College of the proposed professional development activity,
- the value to the Faculty Member(s) of the proposed professional development activity,
- available funding,
- previous professional development financial assistance granted.

Proposals will be considered that support professional development activities for the maintenance and development of professional competence and effectiveness and to assist faculty to remain current and active in their discipline and program. These may include the following:

- proposals with a scholarly and/or educational focus,
- events or activities that further the College's Education Plan,
- funding for additional educational qualifications,
- retraining in response to a need to place Faculty Members into different positions within the College, except when clause 3.03 applies,
- presenting at or attending conferences or events (including travel, registration, meals, and accommodation),
- events identified by a Faculty Member or Faculty Members, Dean, Director, Vice President, or President that are consistent with the purpose of the fund.

Administration

The percentage allocation of funds to short term, long term, and in house professional development shall be determined by the Professional Development Committee having regard for the strategic goals of the College.

The accounting and reporting procedures used by the Professional Development Committee will be applied to this fund. However, accounting and reporting will be done separately from the existing PD fund.

Committee members may not review their own PD funding request.

RE: ALTERNATIVE TRANSPORTATION PROGRAM

As part of its efforts to reduce its carbon footprint, the College shall provide an Alternative Transportation Program to be accessible to continuing employees who commute to and from work by public transit. The Alternative Transportation Program will be funded to a maximum of \$80,000 annually and annual expenses cannot exceed this amount. Any unused amount will be maintained to support alternative transportation initiatives as agreed upon by both parties when renewing the 2022-2025 Collective Agreement.

Employees who decline parking privileges may select one of the following options:

1. Employees who fully opt out of parking on campus will be eligible for an annual bus pass or Pro Pass at no cost to the Employee.
2. Employees wishing to receive a "flex parking pass" which allows the Employee to park on campus on ten (10) working days each month, will receive a 50% subsidy of an annual bus pass or Pro Pass.

Those who elect to participate in the Alternative Transportation Program will not be eligible for Article 19 for the duration of the parking year.

Employees who do not apply for the Alternative Transportation Program by September 30 of each parking year will still be eligible for parking in accordance with Article 19 and the Camosun parking permit registration system.

With the exception of employees who commence employment after annual parking registration, once the registration deadline (September 30) has passed, an employee cannot register for the Alternative Transportation Program until the next annual parking registration year. Under the Program, an option, once chosen, cannot be changed until the next annual parking registration year.

For those employees who commence employment after annual parking registration and opt for the Alternative Transportation Program, the flex permits and reduced taxable benefit associated will be available on a prorated basis.

Upon ratification of this Letter of Agreement, the information currently available on the College intranet regarding the "Alternative Transportation Dividend Program" will be revised to be consistent with this Letter of Agreement.

LETTER OF AGREEMENT 11

CAMOSUN COLLEGE

and

CAMOSUN COLLEGE FACULTY ASSOCIATION

RE: COST OF LIVING ADJUSTMENT

Definitions

"General Wage Increase" or "GWI" means the overall general wage increase expressed as a percentage.

"Cost of Living Adjustment" or "COLA" means a percentage-based general wage increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all wage rates.

The "annualized average of BC CPI over twelve months" (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The "Latest 12-month Average Index", as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on the first pay period after April 1, 2023 and April 1, 2024. The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule – Grids.

April 2023

If the 2023 AABC CPI exceeds the April 2023 GWI of 5.5%, then, on the first pay period after April 1, 2023 the April 2023 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2023 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

April 2024

If the 2024 AABC CPI exceeds the April 2024 GWI of 2.0%, then, on the first pay period after April 1, 2024 the April 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2024 GWI and the 2024 AABC CPI up to a maximum of 1.00%.

ARTICLE 1 - PREAMBLE

1.1 PURPOSE OF COMMON AGREEMENT

1.1.1 The purpose of this Agreement is to establish and maintain orderly collective bargaining procedures between the Parties.

1.1.2 In order to promote the efficient and effective operation of the institution through the establishment and continuance of harmonious relations and working conditions established under the collective agreement, and to assist in the development and expansion of the public post-secondary system, the Parties therefore agree to the following terms of contract.

1.2 FUTURE LEGISLATION

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the Parties hereto will negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered. All other provisions of the Common Agreement shall remain in full force and effect.

1.3 CONFLICT WITH POLICIES

Every reasonable effort will be made to harmonize employer policies with the provisions of this Agreement. In the event of a conflict between the contents of this Agreement and any policies made by the employer, the terms of this Agreement will prevail.

1.4 SINGULAR AND PLURAL

Wherever the singular is used in the Common Agreement, the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

ARTICLE 2 - HARASSMENT

2.1 STATEMENT OF COMMITMENT

The Institutions promote teaching, scholarship and research and the free and critical discussion of ideas.

Unions and employers are committed to providing a working and learning environment that allows for full and free participation of all members of the institutional community. Harassment undermines these objectives and violates the fundamental rights, personal dignity and integrity of individuals or groups of individuals. Harassment is a serious offence that may be cause for disciplinary sanctions including, where appropriate, dismissal or expulsion.

The Institutions have a responsibility under the *BC's Human Rights Code* to prevent harassment and to provide procedures to handle complaints, to resolve problems and to remedy situations where harassment occurs.

The employer will offer educational and training programs designed to prevent harassment and to support the administration of the institutional policies and to ensure that all members of the institutional community are aware of their responsibility with respect to the policy. The Unions and Employers agree that attendance is required and will take place during compensated work time.

2.2 DEFINITIONS

2.2.1 Harassment is a form of discrimination that adversely affects the recipient on one or more of the prohibited grounds under the *BC Human Rights Code* [R.S.B.C. 1996 c.210].

Harassment as defined above is behaviour or the effect of behaviour, whether direct or indirect, which meets one of the following conditions:

- (a) is abusive or demeaning;
- (b) would be viewed by a reasonable person experiencing the behaviour or effect of the behaviour, as an interference with their participation in an institutional related activity;
- (c) creates a poisoned environment.

As of this date, the grounds protected against discrimination by *BC's Human Rights Code* [R.S.B.C. 1996 c.210] are race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or because that person has been convicted of a criminal or summary conviction offence that is unrelated to the employment or to the intended employment of that person.

2.2.2 Sexual Harassment is behaviour of a sexual nature by a person who knows or ought reasonably to know that the behaviour is unwanted or unwelcome; and

- (a) which interferes with another person's participation in an institution-related activity; or
- (b) leads to or implies employment, or academically-related consequences for the person harassed; or
- (c) which creates a poisoned environment.

2.3 PROCEDURES

2.3.1 Local Informal Processes

The Parties agree that the local parties where mutually agreeable, may first attempt to use local policies or processes to resolve complaints of harassment and sexual harassment prior to accessing the following procedures in Article 2.3.3 Mediation and 2.3.4 Investigation.

2.3.2 Right to Legal Counsel

The union is the exclusive bargaining agent for the bargaining unit employee and as such has the exclusive right to represent the employee in all matters pertaining to their terms and conditions of employment, including matters that may lead to discipline by the employer. An individual bargaining unit employee has no right to be represented by legal counsel during an Article 2 investigation involving an allegation of harassment.

2.3.3 Mediation

When a complaint is received by the employer involving an individual covered by this collective agreement, whether as a complainant or respondent, the local parties will initiate a mediation procedure at the bargaining unit level. The mediation process is the recommended avenue of resolution.

Consensual mediation will require the agreement of the complainant and the respondent to use the following process:

- (a) the local parties will discuss the nature of the complaint and agree upon who will conduct the mediation;
- (b) the mediation process and resolution will be kept strictly confidential by all participants;
- (c) where a resolution is reached, the complainant and the respondent must agree in writing to the resolution and the matter will then be considered concluded;
- (d) no record of the mediation except the written agreed resolution will be placed on an employee's file. The written resolution will be removed from the employee's file after twelve (12) months unless there has been a subsequent complaint of harassment against the employee within the twelve (12) month period.

2.3.4 Investigation

Where either the complainant or respondent does not agree to mediation, or no resolution is reached during the mediation, the complaint will be referred to an investigator selected from a list of investigators agreed upon by the local parties. The parties will consider, among other things, the ability of the selected investigator to begin their investigation in a timely manner.

An investigator will be appointed within ten (10) working days of referral.

Where the local parties are unable to agree on a list of investigators, JADRC will determine the list. (See Appendix B.)

The referral should, where possible, include a written statement from the complainant and the respondent which succinctly outlines the issue(s) in dispute. The referral should be assembled by the Institution and forwarded to the Investigator with a copy sent to the union(s).

The appointment of an investigator does not preclude an investigator from mediating the dispute where possible up to the time of submission of the Investigator's report to the local parties pursuant to Article 2.3.5(a) below.

Any complaint of harassment will be kept confidential except as is necessary to investigate and resolve the issue. Investigators will stress the confidentiality of the investigation with the person(s) interviewed.

2.3.5 Terms of Reference of the Investigator

- (a) The purpose of the investigator will be to ascertain facts.
- (b) All persons quoted in the investigation will be named by code determined by the Investigator to preserve confidentiality.
- (c) The complete report of the Investigator will be given, in confidence, to the union(s) and the employer. It is the responsibility of the employer to forward a copy of the report to the complainant and the respondent. The employer will state, in a covering letter, that the report is confidential. The report should refer to individuals involved by code only. However, a reference key will be provided to the employer and the union(s) for internal use. This practice should be repeated at any subsequent arbitral proceeding.

Upon consultation with the union, the employer may redact information from the forwarded report if the release of that information would violate the personal privacy of the individuals.

- (d) The report will not be introduced as evidence or have standing in any arbitration, or other legal procedure. This does not preclude the parties from reaching an Agreed Statement of Fact based upon facts in the report in preparation for an arbitral proceeding.

- (e) Reliance on Report of Third Party Investigator

Despite 2.3.3 (d), an institution is entitled to rely on the fact of mediation or the report of a third party investigator as evidence that may mitigate liability in a proceeding that follows receipt of the third party investigator's report.

The employer is entitled to rely on the investigator's report as evidence that it acted in good faith in any disciplinary action that it undertook following receipt of the third party investigator's report where the issue of good faith is raised by a grievor or the union.

- (f) The investigator will not be compellable as a witness in any arbitration or other legal procedure which may result from the investigation.
- (g) The investigator will conclude their work within twenty (20) days of appointment and will render a report within a further ten (10) days. These timelines may be extended if deemed appropriate by the local parties. If a dispute arises with respect to the extension, the matter will be referred to JADRC. If requested by the investigator, the employer will provide meeting space and contact information about persons to be interviewed.
- (h) The investigator may, as part of their report, make recommendations for resolution of the complaint.
- (i) The investigator's report will not be placed on an employee's file.

2.4 FINDINGS

2.4.1 The employer will make a written determination based upon the facts and recommendation, if any, within ten (10) working days of the receipt of the Investigator's report. If necessary, this timeline may be extended by mutual agreement between the local parties.

2.4.2 The determination will:

- (a) state the action(s), if any, to be taken or required by the employer;
- (b) include, where appropriate, a statement of exoneration.

2.5 RIGHTS OF THE PARTIES

Should a complainant file a complaint under the provisions of the *Human Rights Code*, it is understood that the *Human Rights Code* complaint will be set aside until such time as the procedures under this Article have been completed.

Where an allegation includes both complaints under the *Human Rights Code* and a personal harassment complaint, the local parties may agree to have the Investigator investigate all of the complaints, in order to relieve against expense and duality of process.

2.5.1 The above noted procedure does not restrict:

- (a) The employer's right to take disciplinary action;
- (b) The union's right to grieve such disciplinary action or to grieve an alleged violation of this Article.

2.5.2 The report of the investigator may be used in the development of an Agreed Statement of Fact for an arbitral proceeding.

2.6 FALSE COMPLAINTS, BREACHES OF CONFIDENTIALITY AND RETALIATORY ACTION

Frivolous, vexatious or malicious complaints of harassment or breaches of the confidentiality provisions of this clause or retaliation in respect of a complaint may result in discipline.

Should retaliation be alleged following the filing of a complaint, an Investigator may deal with that allegation and make a finding.

2.7 LOCAL DISCUSSION

The local parties will meet as necessary to facilitate the administration and other aspects of the application of this Article including issues arising under Article 2.8 below. The local parties may refer any differences over the administration or application of this Article to JADRC for resolution.

2.8 RELATION TO OTHER AGREEMENTS

Where a complaint under Article 2 involves individuals who are covered by another collective agreement the local parties will meet to clarify and agree upon a procedure.

ARTICLE 3 - EMPLOYER/UNION RELATIONS

3.1 HUMAN RESOURCES DATABASE

The Parties believe that their on-going and collective bargaining relationships are enhanced through useful, timely, and accessible data on relevant human resources matters, including those listed below.

The Parties agree to provide and support the accumulation and dissemination of available data to the PSEA, which will be responsible for the management of the HRDB project including the gathering, analysis, and maintenance of such data. The Parties may undertake joint projects for the comparative analysis of such data.

The Parties agree that a Steering Committee will oversee this program. The Committee will include representatives designated by each Party.

The Parties recommend that the Ministry of Advanced Education, Skills and Training continue to provide funding to assist in the gathering, analysis, and maintenance of such data through the agreed-upon organization.

3.1.1 Relevant Matters include:

- (a) Health and Welfare
 - (i) Benefit Plan Designs
 - (ii) Participation rates
 - (iii) Premiums
 - (iv) Cost sharing
 - (v) Commission costs
 - (vi) Carrier contracts

 - (i) Salary information by classification
 - (ii) FTE, headcount, placement on scale, appointment status
 - (iii) Demographics: age and gender
- (c) Contract Administration
 - (i) Arbitration, Labour Relations Board, JADRC, Harassment, Jurisdictional and other third-party decisions and costs thereof for the system
 - (ii) Local Letters of Understanding

3.2 JOINT ADMINISTRATION AND DISPUTE RESOLUTION COMMITTEE

3.2.1 Formation and Composition

The Parties to this agreement will maintain a Joint Administration and Dispute Resolution Committee (JADRC) consisting of three (3) representatives of each party. Where appropriate, additional individuals may be called as resources, by mutual agreement.

3.2.2 Operation

Meetings of JADRC shall be held as needed. A meeting shall be held within twenty (20) days of the written request of either party unless mutually agreed otherwise. A minimum of four (4) representatives with equal representation from the Common Parties will constitute a quorum. JADRC will set its own procedures and protocols. All decisions of JADRC will be mutual decisions between the Parties and will be recorded or confirmed in writing.

3.2.3 Purpose

The purpose of JADRC is to:

- (a) Assist in the administration of the Common Agreement.
- (b) Provide a forum for dialogue between the Parties respecting issues impacting labour relations.
- (c) Provide a means for resolving issues pertaining to the implementation, interpretation and resolution of matters arising from the Common Agreement.
- (d) Appoint arbitrator(s) as applicable for Common Agreement Dispute Resolution.
- (e) Develop strategies to reduce arbitration and related costs.

3.2.4 Common Agreement Dispute Resolution

Where a dispute arises concerning the interpretation, application, operation or alleged violation of this Agreement, the local parties will refer the dispute to JADRC using the Dispute Referral Form at Appendix C to this Agreement. Such referral would occur after the local grievance procedure is exhausted or deemed completed by agreement of the local parties.

JADRC will act as the registrar for referred disputes and will forward the matter to an arbitrator, within thirty (30) calendar days of the receipt of the dispute by JADRC's designated registrar. (See Appendix D for the list of arbitrators.)

Notwithstanding the referral of a dispute to an arbitrator, the local parties may mutually agree to request that JADRC attempt to resolve the matter through a pre-hearing discussion at the JADRC level. Where JADRC reaches a mutual decision on a matter referred, the decision will be final and binding upon the local parties.

Prior to an arbitral hearing, and in the absence of any JADRC decision, the local parties may resolve a dispute which relates to the interpretation, application, operation or alleged violation of this Agreement. The resolution is without prejudice or precedent.

3.2.5 Process and Costs

A matter referred to an arbitrator will be scheduled and heard within sixty (60) calendar days of referral unless otherwise mutually agreed by the local parties. Decisions will be final and binding except as provided by Section 99 of the Labour Relations Code.

Arbitral decisions shall be rendered within fifteen (15) calendar days of the conclusion of the hearing. Time limits may be altered by mutual agreement between the parties.

An arbitrator has the authority to order pre-hearing disclosure and to act as a mediator provided such action does not unduly delay a decision.

Each local party will be responsible for its own costs. The costs of the arbitrator will be shared by the local parties.

3.3 LEAVE OF ABSENCE FOR COLLEGE COMMITTEES AND UNION LEAVE

3.3.1 Leave of Absence for College Committees

An employee whose assigned work schedule would prevent them from attending meetings of a college committee to which they have been elected or appointed, will be granted a leave of absence from their regular duties without loss of pay or other entitlements to attend such meeting(s).

Where such leave is granted, the employer will replace the employee as necessary. Costs arising from this provision will not be charged against the program area of the participating employee.

3.3.2 Union Leave

Meetings between representatives of the union and the employer will be scheduled at times mutually agreeable to the Parties. Reasonable effort shall be made to hold such meetings at times that do not conflict with assigned duties.

Where such meetings cannot be scheduled at times that do not conflict with assigned duties, the employer will grant a leave of absence without loss of pay or other entitlements for the purpose of attending such meetings to the total equivalent of one-quarter full-time equivalent per annum.

Where such leave is granted, the employer will replace the employee as necessary.

This clause may be utilized by the union to ensure adequate representation by the union with respect to issues that affect the institution or the post-secondary system. To facilitate the administration of this provision, the union will ensure that the employer is advised of the eligible leaves to be taken.

The union may designate a person(s) who will be entitled to union leave under this Article and will advise the employer of the amount of the leave to be taken. The amount of the entitlement is one quarter of a full time equivalent per annum, without loss of pay or other entitlement.

Costs arising from this provision will not be charged against the program area of the participating union representative.

This provision will not be utilized where existing employer-paid release time arrangements exceed this one-quarter full-time equivalent entitlement.

3.3.3 Additional Union Leave Without Pay

A bargaining unit may purchase additional release time above that currently paid for by the employer at replacement costs. Replacement cost is that for the individual who is carrying out the duties of the individual released. Such leaves will not be unreasonably withheld.

ARTICLE 4 - PRIOR LEARNING ASSESSMENT

4.1 DEFINITION

Prior Learning Assessment (PLA) is the assessment by some valid and reliable means, of what has been learned through formal and non-formal education/training or experience, that is worthy of credit in a course or program offered by the institution providing credit.

The assessment and evaluation of prior learning and the determination of competency and credit awarded, will be done by instructional or faculty staff who have the appropriate subject matter expertise but other staff in an institution may have a supporting role in the process.

The work required for prior learning assessment includes but is not limited to: classroom-based and individual advising; classroom-based and individual assessment, training and upgrading; development of assessment tools; and training in the use of flexible assessment.

4.2 PRIOR LEARNING ASSESSMENT AS WORKLOAD

Prior learning assessment work undertaken by an employee covered by this Agreement will be integrated into and form part of the employee's workload as workload is defined in the employee's collective agreement.

4.3 TRAINING IN PRIOR LEARNING ASSESSMENT

An employee required to perform prior learning assessment responsibilities as part of their workload, has a right to employer-paid training time and expenses, in the methodology and application of prior learning assessment as necessary for the assigned task.

4.4 PRIOR LEARNING ASSESSMENT COORDINATORS

Prior Learning Assessment coordinators will be faculty or instructional bargaining unit members.

5.1 COPYRIGHT OWNERSHIP

The copyright or patent for any work product, including creative work, instructional strategies or curriculum/instructional material, software or any other material or technology that may be copyrighted or patented:

5.1.1 belongs to the employee(s) where the work product has been prepared or created as part of assigned duties, other than the duties listed in Article 5.1.2 below, and the copyright to all copyrightable material shall be the sole property of the employee(s) and shall be retained throughout their lifetime and upon their death by their heirs or assigns; and

- (a) have been hired or agrees to create and produce copyrightable work product for the institution, or
- (b) are given release time from usual duties to create and produce copyrightable work product, or
- (c) are paid, in addition to their regular rate of pay, for their time in an appointment to produce copyrightable work product.

5.2 EMPLOYER RIGHTS TO MATERIALS COPYRIGHTED BY EMPLOYEE(S)

Where the employee holds the copyright pursuant to Article 5.1.1, the institution shall have a right to use their copyrighted material in perpetuity for institutional purposes. The institution may amend and update the copyrighted material with the approval of the employee(s) holding the copyright to the material. Such approval will not be unreasonably withheld.

5.3 EMPLOYEE RIGHTS TO MATERIALS COPYRIGHTED BY THE EMPLOYER

Where the institution holds the copyright pursuant to Article 5.1.2, the employee(s) shall have the right to use in perpetuity, free of charge, such copyrighted material. The employee may amend and update the copyrighted material with the approval of the institution holding the copyright to the material. Such approval will not be unreasonably withheld.

5.4 JOINT REVIEW

JADRC may, at the request of either party, review issues arising from the application of this Article.

ARTICLE 6 - JOB SECURITY

6.1 EMPLOYEE SECURITY AND REGULARIZATION

6.1.1 Intent

The purpose of this Article is to ensure that, by April 1, 2000, provisions relating to employee security and regularization of employees are established within each collective agreement affecting employees covered by this Agreement and to ensure that current and future employees who qualify for regularization under the provisions of this Article will be regularized.

Where this Article establishes a date for action, the parties responsible for taking the action may agree to another date.

 - or
 - (2) entitlement to regularization after the employee has performed a workload at least one hundred and twenty percent (120%) of an annualized workload over at least two (2) consecutive years and there is a reasonable expectation of an ongoing workload assignment for which the employee is qualified, of at least fifty percent (50%) on an annualized basis over the immediately subsequent appointment year.
 - (ii) requirements that an employee receive a satisfactory evaluation prior to regularization. An employee will be deemed to have received a satisfactory evaluation if one has not been undertaken by the employer. 6.1.4 Local Discussion Process

- (a) Within fifteen (15) working days of ratification of this Agreement, a local bargaining unit must advise the local employer in writing either
 - (i) that it agrees to retain the existing local employee security and regularization provisions without any changes, or
 - (ii) that it wishes to commence the process for amending existing local provisions respecting employee security and regularization through the processes established in this Article.
- (b) Where the local bargaining unit advises the employer under (a) above, of its intention to commence the processes for amending the existing local employee security and regularization provisions, the parties will commence discussions forthwith.
- (c) The purpose of these local party discussions is to amend local collective agreement provisions respecting employee security and regularization as necessary to satisfy the intent of this Article and within the parameters established in Article 6.1.3 above.
- (d) Local discussions must conclude no later than April 30, 1999. The results of local discussions may be:

- (ii) provisions of employee security and regularization in place at other similar colleges, university colleges, agencies and institutes in British Columbia;
 - (iii) the cost implications for the employer of any changes and the impact on student access, employees and services.
- (b) A decision of the arbitrator is binding on the local parties and will take effect on April 1, 2000 or such other date as the arbitrator may determine is required to phase in changes to a collective agreement.
 - (c) In making their decision, the arbitrator will make changes necessary to amend employment provisions within the parameters established under Article 6.1.3 above that require the least amount of change in existing provisions necessary to meet the requirements of this Article and that the arbitrator considers to be reasonable.
 - (d) An agreement reached between local parties to amend existing provisions on employee security and regularization under this process is not admissible in an arbitration under this provision.

6.1.7 No result of this process will have the effect of altering an existing certification. Any grievance that arises regarding regularization will be referred to the JADRC process for resolution.

6.2 PROGRAM TRANSFERS AND MERGERS

6.2.1 Notice of Program Transfer/Merger

When one or more institutions covered by this Agreement decides to transfer or merge a program or a partial program and the transfer or merger will result in the transfer or layoff of one or more employees at one or more of the institutions, the institutions will provide written notice to the local union(s) as soon as possible, but in no event less than sixty (60) days prior to the date of transfer or merger.

6.2.2 Transfer/Merger Agreements

The transfer/merger agreement will address all relevant matters and will be signed by each of the parties.

A copy of the agreement will be provided to each affected employee.

6.2.3 Disputes

Grievances arising prior to the transfer/merger date remain the responsibility of the sending institution.

If a dispute arises as a result of a program transfer/merger and/or its employees being transferred the matter will be referred to the JADRC for resolution.

6.3 REGISTRY OF LAID OFF EMPLOYEES

6.3.1 Electronic Posting of Available Positions

On behalf of the Parties, the PSEA will maintain a system-wide electronic Registry of job postings and the necessary supporting database.

- (a) Institutions are encouraged to use the Registry for the posting of all available positions.
- (b) Institutions will post on the Registry all employment opportunities of half-time or more and longer than three (3) months in duration that are available to applicants beyond those employed by the institution.

 - (ii) The institution will immediately forward the completed form to the PSEA who will list eligible employees on the Registry.

(iii) A registrant is responsible to ensure that the information on the Registry is current and to notify immediately the Employer and the local union if they are no longer available for employment through the Registry.

(e) Employees Not Eligible

Employees are not eligible for listing on the Registry if they have:

- (i) had their employment terminated for just and reasonable cause;

6.4.1 Employer Commitments

It is agreed that the institution will make every reasonable attempt to minimize the impact of funding shortfalls and reductions on the work force.

If a work force reduction is necessary, the Joint Labour Management Committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such longer time as the Joint Labour Management Committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs. Subject to any agreement that the Joint Labour Management Committee may make to extend the period of a canvass, such canvasses shall take place either:

- prior to the issuance of lay-off notice to employees under the local agreement, or
- by no later than fourteen (14) calendar days following the annual deadline for notice of non-renewal or layoff where a local provision provides for such a deadline,

1. Committee Mandate

The Employer and the Union agree to participate in a joint committee (the “Committee”), with a mandate to:

Quantify the costs that would be required in order to transition the base pay for employees included in this letter of understanding for each local from the applicable secondary salary scales to the Provincial Salary Scale as appropriate subject to the parameters described below.

2. Application

This LOU will apply to non-regular faculty employees whose pay:

- a. Is determined according to a local salary scale other than the Provincial Salary Scale, or
- b. is differentiated from regular faculty employees due to limits on progression up the salary scale that do not apply to regular faculty employees, or
- c. is differentiated from regular faculty employees due to limits on initial placement on the salary scale that do not apply to regular faculty employees, or
- d. is differentiated from that paid to regular faculty employees through reduction formulas applied to the Provincial Salary Scale that do not apply to regular employees.

3. Exceptions and Additions

This letter of understanding shall not apply to classifications of non-regular faculty employees in the bargaining unit who do not perform work normally done by regular faculty bargaining unit members, as defined by the collective agreement. (For example, substitutes, continuing education instructors, and instructional/faculty assistants). Additionally, qualification-based differences in pay are excluded from the scope of this committee work.

In addition to non-regular employees, this letter of understanding shall apply to the following regular employee groups only:

- i. Selkirk College: Regular faculty being paid according to on-line courses (LOU #7).
- ii. Any other regular faculty groups that the parties mutually agree.

4. Definition and Formula – Base Pay

This formula calculates base pay for non-regular employees included in this LOU.

This formula sets a standard to be used by the committee for calculating base pay for non-regular faculty employees who perform work normally done by regular faculty bargaining unit members, as defined by the collective agreement during the same time period of their work assignment. For those institutions that have a different pay structure in their local collective agreement for non-regular employees, the pay calculated using the following formula will be converted on the same/equivalent basis to their local pay structure for non-regular employees. (i.e. hourly, per course, weighted hourly, etc.).

Base Pay Formula and Conditions:

a) The standard for base pay is calculated by the following formula:

$$\frac{S * D * P}{Y} \text{ where:}$$

S is the full-time annual salary on the appropriate step of the grid, as per local collective agreement placement provisions.

D is the number of days in the appointment period.

P is the percentage of full-time work during the appointment period.

Y is two hundred and sixty-one (261) days, which is the number of working days in one year. This is calculated based on three hundred and sixty-five (365) days per year divided by seven (7) days per week and multiplied by five (5) working days per week.

Examples:

Standard Appointment:

A 16-week appointment at 25% of full-time work at step 6 salary would be $\$72,340 \times 80 \text{ days} \times 0.25$ divided by 261 = \$5,543.30

Compressed Appointment:

The same work performed in a compressed format over an 8 week appointment would result in 50% of full-time work for 40 days: $\$72,340 \times 40 \text{ days} \times 0.50$ divided by 261 = \$5,543.30

- b) For clarity, base pay does not include lieu payments, such as vacation and/or benefits. These additional lieu payments, if applicable to non-regular employees in the local collective agreement, would be added to the base pay to formulate the non-regular employee's total compensation related to the term of the work assignment.
- c) The cost to transition an employee from the applicable secondary salary scales to the Provincial Salary Scale will be defined as the difference between the base pay the employee is paid using the secondary scale for the term of their work assignment and the amount the employee would be paid according to the above formula.

5. Costing Criteria:

- a) The Parties will use an average of the most recent 3 years of HRDB data (April 1, 2016 – March 31, 2019) for costing purposes. Where the data is not available in the HRDB data, the parties will use data from the institution's historic records using the same 3 year period. Where the institution does not use an April 1 – March 31 year, the records used will be those that most closely fit that time period.
- b) Normal rounding principles will apply. If rounding to the nearest dollar, less than .5 dollars will be rounded down to the nearest lower whole dollar and .5 dollars or more will be rounded to the nearest higher whole dollar. If rounding to the nearest cent, less than .5 cents will be rounded down to the nearest lower whole cent and .5 cents or more will be rounded to the nearest higher whole cent.

6. Committee Composition

The Committee shall be equally represented and shall consist of:

- Four (4) Employer Representatives, two (2) of which will be from PSEA; and
- Four (4) Union Representatives.

Costs for leaves and expenses to be borne by each party.

7. Timelines

The work of the Committee will conclude no later than March 31, 2022. This information shall be provided by the Committee to each party's respective principals and may be brought forward by either party in the next round of collective bargaining.
