### **Local Resolution 1**

#### ***Special Purpose, Teaching Universities***

BECAUSE:

The new special purpose, teaching universities have a broad mandate that includes the continued offering of developmental education, trades training and career programs and these programs are in danger of erosion or cancellation if there is exclusive focus on the offering of university degrees;

FPSE will:

Lobby government to ensure the functions and duties of the special purpose, teaching universities as described in the *University Act* Section 47.1 are upheld and properly funded. [Section 47.1 appears below.]

*University Act, Section 47.1*

*A special purpose, teaching university must do all of the following:*

*(a) in the case of a special purpose, teaching university that serves a geographic area or region of the province, provide adult basic education, career, technical, trade and academic programs leading to certificates, diplomas and baccalaureate and masters degrees, subject to and in accordance with regulations under section 71 (3) (c) (i);*

*(b) in the case of a special purpose, teaching university that serves the whole province, provide applied and professional programs leading to baccalaureate and masters degrees, subject to and in accordance with regulations under section 71 (3) (c) (ii);*

*(c) provide, in addition to post-secondary programs referred to in paragraph (a) or (b), post-secondary programs specified in regulations under section 71 (3) (c) (iii);*

*(d) so far as and to the extent that its resources from time to time permit, undertake and maintain applied research and scholarly activities to support the programs of the special purpose, teaching university.*

#### ***Industry Training Authority***

BECAUSE:

Training opportunities in public post-secondary institutions have been decimated since the Industry Training Authority was moved out of the Ministry of Advanced Education;

FPSE will:

Lobby the provincial government to:

1. Return the Industry Training Authority to the Ministry of Advanced Education, and
2. Provide adequate funding for all trades training in public post-secondary institutions.

### ***Bargaining Conference***

#### *BECAUSE*

There will most likely be either continued bargaining through to 2012, or the need to negotiate new agreements as of April 1, 2012;

FPSE will:

Sponsor a bargaining conference of its members in the fall of 2011; the conference will include local presidents, bargainers, and a third member from each local, and will be held in a Friday evening/Saturday format, and it will be a closed FPSE event.
